# RECREATIONAL DIVING AND SNORKELLING PRICE LIST

(VALID FROM 1 AUGUST 2024)

As a boutique dive operator, we offer a superior, personalized dive experience tailored to your skill level, preferences, and the best conditions. Viani Bay is the closest access point to the 30 dive spots on the Rainbow Reef, just a 5-15 minute boat ride away. This allows us to dive the Great White Wall almost daily, or even at night, by adapting your schedule to the tides.

Our experienced guides provide support to novice divers while ensuring more advanced divers enjoy their experience without being overly managed. We limit our boats to only four dive guests. During high season, we recommend pre-booking as we turn down other requests when the boats are full. Please note that we cannot refund unused dives. Between dives, return to our resort for freshly baked cake, lemon-leaf or lemongrass tea, and seasonal fruit. Enjoy the comfort of our facilities with showers and restrooms available. You can also book lunch at our restaurant, where our chefs create contemporary Fijian dishes using local organic ingredients.

## Social Engagement and Marine Conservation

We believe awareness and education are vital for protecting our environment. To preserve the Rainbow Reef, we initiated regular clean-ups in Taveuni and Viani Bay and started a coral restoration project with local community support. The area has been designated as a no-fishing zone. Our guests are welcome to participate in coral farming and visit the giant clam nursery.

To increase marine ecosystem awareness, we teach at the local Primary School and offer free Discover Scuba Dives to the community. Our scholarship program helps aspiring dive professionals without binding them to long-term commitments.

We advise to have comprehensive travel and dive insurance, covering potential illness, including COVID-19 related cost, emergency evacuation, dive related treatments or cancellation fees. Please understand that we don't hold responsible for circumstances beyond our control like changes in flights, bad weather or illness which may result in no-shows or unused days of activities. Please be aware that packages and group bookings cannot be split.

## Dive Safety

All our dives and courses are conducted according to PADI standards with a conservative profile to ensure diver safety and the protection of the environment. Due to the remote location of Fiji we advise to have a dive insurance covering emergency evacuation and travel insurance to cover potential cancellation fees resulting from bad weather, airline or other transportation changes, unforeseen disruptions, cancellations or for illness including COVID-19 related cost. Diving and dive courses in Fiji require a statement for medical fitness, which we email you for reference. In case of a 'yes' to any of the questions, a clearance from a physician is required.
