

Price List (status Aug 2022)

As a boutique dive operator, it is our goal to provide you with a superior dive experience adapted to your experience level, bucket list and conditions. Our location in Viani Bay is the closest to the over 20 dive spots on the Rainbow Reef with only 5-15 minutes boat ride. This allows to dive the Great White Wall, which needs a very specific timing, almost daily or even by night by adapting your dive schedule to the tides. Your experienced guides, support novice divers, while not 'kinder gardening' the more advanced.

Social Engagement and Marine Conservation

We believe that awareness and education are key to the protection of our environment. To maintain the health and beauty of the Rainbow Reef, we initiated regular clean-ups in Taveuni and Viani Bay. We started a coral farming project in Viani Bay with the help of the locals who volunteer as coral farmers and made the nursery a non-fishing area. Our guests are welcome to visit the coral farm and actively participate.

To increase awareness about the marine eco-system, we teach in the local Primary School about marine life and its protection and offer free of charge Discover Scuba Dives for locals. Through our scholarship program, we help locals to become dive professionals without being bound to a long-term contract at a dive shop.

Booking Terms and Conditions

All prices are quoted in FJD including taxes. Booking will be confirmed upon payment of 50% of the invoice amount to our bank account or by credit card (+5%). The deposit is not refundable and not transferable. The remaining amount must be paid latest 24 hours before the first dive. The amount credited to our bank account must reflect the full invoice amount, including fees on both sides of the banks. Potential discrepancies can be settled on site in cash (FJD) or by credit card (VISA, MasterCard) for which a fee of 5% occurs. Prices are subject to change in case of cost implications beyond our control like taxes or fuel prices. Dive packages cannot be shared or transferred.

Cancellation Policy – Flexible rescheduling

Cancellations up to 60 days upfront require a cancellation fee of 50%, afterwards the full amount is due. We don't hold responsible for circumstances beyond our control like changes in flights, bad weather or illness which may result in no-shows or unused days diving. We however strive to accommodate unforeseen events as best as possible, e.g. by moving your days of diving. Unused dives that are cancelled minimum 24 hours upfront can be recovered within the next 12 months, price changes due to seasonality or cost increases might apply. Pre-booked dives are discounted and secure your spot on the boat. As space is limited, we will not pay back unused dives. Cancelled dives due to our fault will be credited towards a later date.

All our dives and courses are conducted according to PADI standards with a conservative profile to ensure diver safety and the protection of the environment. Due to the remote location of Fiji we advise to have a dive insurance covering emergency evacuation and travel insurance to cover potential cancellation fees resulting from bad weather, airline or other transportation changes, unforeseen disruptions, cancellations or for illness including COVID-19 related cost. Diving and dive courses in Fiji require a **statement for medical fitness**, which we email you for reference. In case of a 'yes' to any of the questions, a clearance from a physician is required.

Prices including 15% VAT, subject to change in case of changes in external cost components, like fuel or tax.
