

Recreational Diving and Snorkelling

As a boutique dive operator, we take pride in offering you a superior dive experience adapted to your experience level, wish list and conditions. Viani Bay is the closest to the 30 dive spots on the Rainbow Reef with only 5-15 minutes boat ride. This allows us to dive the Great White Wall, which needs a very specific timing, almost daily or even by night, by adapting your schedule to the tides. Your experienced guides support novice divers, while not 'kinder-gardening' the more advanced. As we only take 4 dive guests per boat, we recommend to pre-book your space. We turn down other requests when the boats are full, thus cannot refund unused dives. Between dives you return to our resort for freshly baked cake, lemon-leaf tea, and fruit. No need to hang around in the ocean during the surface interval. Feel free to book your lunch in our restaurant, where our chefs provide a contemporary Fijian menu based on local organic ingredients

Social Engagement and Marine Conservation

We believe that awareness and education are key to the protection of our environment. To maintain the health and beauty of the Rainbow Reef, we initiated regular clean-ups in Taveuni and Viani Bay. We started a coral farming project in Viani Bay with the help of the locals who volunteer as coral farmers and made the nursery a non-fishing area. Our guests are welcome to visit the coral farm and actively participate. Through our scholarship program, we help locals to become dive professionals without being bound to a long-term contract at a dive shop.

Booking Terms and Conditions

All prices are quoted in FJD including taxes. Booking will be confirmed upon payment of 50% of the invoice amount. The deposit is not refundable and not transferable. The remaining amount is due 60 days upfront. In case of bank transfer, the amount credited must reflect the full invoice amount including all fees. Potential discrepancies can be settled on site in cash or by credit card (VISA, MasterCard). Prices are subject to change in case of cost implications beyond our control like taxes or fuel prices. Dive packages cannot be shared or transferred.

Cancellation Policy – Flexible rescheduling

Cancellations up to 60 days upfront require a cancellation fee of 50%, afterwards the full amount is due. We don't hold responsible for circumstances beyond our control like changes in flights, bad weather or illness which may result in no-shows or unused days diving. We however strive to accommodate unforeseen events as best as possible, e.g., by moving your fully paid days of diving or snorkelling within the next 12 months if cancelled minimum 48 hours upfront. Price changes due to seasonality or cost increases might apply. Pre-booked trips secure your spot on the boat. As space is limited, these are not refunded for reasons beyond our control. Cancelled trips due to our fault will be credited / paid back.

All our dives and courses are conducted according to PADI standards with a conservative profile to ensure diver safety and the protection of the environment. Due to the remote location of Fiji we advise to have a dive insurance covering emergency evacuation and travel insurance to cover potential cancellation fees resulting from bad weather, airline or other transportation changes, unforeseen disruptions, cancellations or for illness.
