

PADI Assistant Instructor Course

Course Overview

You are a PADI Divemaster and want to take it to the next level? As a PADI Assistant Instructor you are qualified to run parts of the dive courses under the supervision of an instructor and teach a variety of programs independently. If you want to progress in your diving career and increase your employment opportunities but are not ready yet to become a PADI Open Water Scuba Instructor, this program is your best next move. On top of your education, you enjoy some dives at the world-famous Rainbow Reef, one of the top-10 dive destinations in the world.

Your Role and Responsibilities as a PADI Assistant Instructor

- Knowledge development elaboration for any PADI Diver course under the instructor's indirect supervision
- Present initial skills training under the instructor's direct supervision during confined water dives
- Open water surface skill evaluations during OWD course under the instructor's indirect supervision
- Teach and certify Peak Performance Buoyancy Specialty Divers under the direction of an instructor
- Independently teach the Project AWARE and Coral Reef Conservation (non-diving) Specialty courses
- Independently conduct Discover Scuba Diving in a pool or confined water.
- Independently conduct Bubblemaker programs and PADI Seal Team AquaMissions.
- Teach and certify divers in specialty courses that don't include dives after completing Specialty Instructor Training courses and earning Specialty Instructor ratings for such specialties.

Terms and Conditions

Booking will be confirmed upon payment of 50% of the invoice amount to our bank account or by Western Union. The deposit is not refundable and not transferable. The amount credited to our account must reflect the full invoice amount. Please be aware that bank transfers might incur fees on both sides of the banks as well as exchange rate fluctuations by the time of crediting. Potential discrepancies can be settled on site. The remaining amount has to be paid 30 days before the start of the course. On-site payments can be made by credit card (VISA, MasterCard) for which a fee of 5% applies or in cash. Prices are subject to change until the full payment was made in case of cost implications beyond our control like taxes or fuel prices. You will purchase your course material directly from PADI using our eLearning code.

Cancellation Policy

Cancellations up to 30 days upfront require a cancellation fee of 50%, afterwards the full amount is due. We don't hold responsible for circumstances beyond our control like changes in flights, bad weather or illness which may result in no-shows, unused days of stay or diving or uncompleted courses. We however strive to accommodate unforeseen events as best as possible, e.g. by moving your course days whenever possible. If you cannot complete your course, we issue a referral form documenting the completed course elements. Unused dives, days of stay and uncompleted courses can be recovered within the next 12 months, whereby price changes due to seasonality or cost increases might apply.

All our dives and courses are conducted according to PADI standards with a conservative profile to ensure diver safety and the protection of the environment. Due to the remote location of Fiji we nevertheless advise to have a dive insurance covering emergency evacuation and travel insurance to cover potential cancellation fees resulting from bad weather, airline or other transportation changes, unforeseen disruptions, cancellations or for illness.

About Dive Academy Fiji

Dive Academy Fiji is a boutique dive resort in Viani Bay, Vanua Levu, with the shortest distance to the stunning dive sites at Rainbow Reef including the famous Great White Wall. We are PADI Instructors with a broad range of specialty qualifications. Based on our experience from diving around the world, in-depth local knowledge and our professional dive education in Germany and internationally, we shape Dive Academy Fiji as a place with truly personalised service. Jone is the only Fijian PADI Freediving Instructor and certified ScubaPro Technician in the area. Marina is one of few PADI IDC Staff Instructors in Fiji and brings along her marketing and business expertise. We speak English, German, Fijian and French. Our heart project is to provide professional dive education for locals through scholarships and engage in marine conservation. With your courses and dives you help us fund these projects.
